Santa Anita® Glühwein 1L - spiced (mulled) red wine

The 2023 winter holiday season will soon be here!

A festive winter treat!

Produced from specially selected red wine enhanced with natural flavors, this holiday favorite offers aromas of blackberry with notes of nutmeg, clove and orange peel.

A delightfully festive beverage - perfect on a cold winter's night, after a day on the slopes, or for family gatherings and holiday parties. Serve stove top warm - do not boil. Add a cinnamon stick or slice of orange for a homemade touch. Enjoy!
